Steps for Nzika Digital ID Wallet Onboarding

01

Register for a national ID

- If it is your first time, visit any nearest NRB Registration Office
- If you already have a national ID, proceed to use it

02

Download Nzika Wallet App

- The App has a Malawi Government Logo.
- For those with Android Phones, access the app through the Google Play store.
- If you have an iPhone, please go to an Apple Store.

03

Open the Nzika Wallet App

04

Select the language to use in the App

Select either
English or Chichewa

05

Use national ID Number or scan the QR Code on the ID

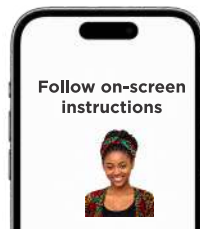

- If you do not have a physical national ID with you but you have your unique ID number, please proceed to register
- You can also use the QR Code either at the back of your national ID

06

Complete the liveness check

- Please follow the instructions from the app prompts

07

Create your password

- Ensure your password is confidential

08

Process is complete and access your Digital ID

NOTE: The Digital ID will require regular liveness updates for the security of your identity.
